

TABLE OF CONTENTS

22. Nanobiotech Companies	4
Introduction	4
Classification of companies	4
Profiles of companies	17
Collaborations	285

Tables

Table 22-1: Companies with nanoarray and nanofluidic technologies.....	4
Table 22-2: Companies that provide microscopes for nanobiotechnology	5
Table 22-3: Companies providing services and products for nanobiotechnology industry.....	5
Table 22-4: Companies that provide nanotechnologies for life sciences research.....	6
Table 22-5: Companies developing nanomolecular diagnostics	7
Table 22-6: Companies involved in nanobiotechnology-based drug discovery and development.....	10
Table 22-7: Companies involved in nanobiotechnology-based drug delivery	11
Table 22-8: Companies using nanotechnology-based antiinfective agents	15
Table 22-9: Companies using nanotechnology for healthcare and therapeutics	15
Table 22-10: Collaborations of companies in nanobiotechnology	285
